THE SAFE CENTER LI RECEIVES \$50,000 GRANT FROM THE ASOFSKY FAMILY FOUNDATION TO SUPPORT PROJECT KIDZ TALK

Bethpage, NY - The Safe Center is pleased to announce it has received a \$50,000 grant from the Asofsky Family Foundation for Project Kidz Talk (PKT), a unique program that addresses child abuse trauma in a holistic way.

With the support of The Asofsky Family Foundation we will continue our efforts to address the needs of victims of child abuse. PKT offers a unique experience for families by addressing trauma as an issue impacting the family as a whole, rather than only the individual victim of child abuse. PKT has proven to increase social support, reduce isolation and help family members cope with the effects of sexual abuse.

“The Asofsky Foundation’s ongoing support of the PKT program has been instrumental in helping to make our efforts a success.” said Cindy Scott, Executive Director of The Safe Center. “We are enormously grateful for their recognition of our work with child abuse victims and their families.”
